

# Brooke Stanton

Senior Release Engineer

## About Me

Senior Release Engineer with 6 years of experience managing complex software release processes for enterprise applications. Expert in release automation, deployment strategies, and release orchestration across multiple environments. Strong focus on release quality, risk mitigation, and developer productivity. Experienced in both traditional and cloud-native release methodologies.

## Experience

### Senior Release Engineer

Company 168, Jerusalem

2021 - Present

- Manage release pipeline for 60+ microservices with bi-weekly release cadence
- Implemented progressive delivery strategies including canary and blue-green deployments
- Reduced release failures by 75% through automated testing and rollback procedures
- Built release orchestration platform using Spinnaker and ArgoCD
- Created comprehensive release documentation and runbooks
- Coordinate cross-team releases involving 8 development teams
- Established release metrics and KPIs tracking deployment frequency and MTTR
