

# Alondra Simpson

CI/CD Engineer

## About Me

CI/CD Engineer with 4 years of experience building and optimizing continuous integration and deployment pipelines. Specialized in GitLab CI, GitHub Actions, and Jenkins. Passionate about developer experience and reducing friction in the software delivery process. Strong scripting skills and experience with multiple programming languages.

## Experience

### CI/CD Engineer

Company 054, Kfar Saba  
2022 - Present

- Design and maintain CI/CD pipelines for 40+ microservices using GitLab CI and GitHub Actions
- Reduced average build time from 25 minutes to 8 minutes through pipeline optimization
- Implemented automated testing gates including unit, integration, and security scans
- Built reusable pipeline templates and shared libraries used across organization
- Integrated artifact management with Nexus and container registry
- Mentored developers on CI/CD best practices and GitOps workflows

### Build and Release Engineer

Company 490, Herzliya
