## ABOUT ME

Lead Infrastructure Engineer with 10+ years of experience architecting and operating large-scale cloud infrastructure. Expert in multi-cloud strategies, infrastructure automation, and building high-performing engineering teams. Track record of leading infrastructure modernization initiatives and establishing DevOps practices in enterprises. Strong technical leadership combined with hands-on execution capabilities.

## EXPERIENCE

### **Lead Infrastructure Engineer**

Company 166, Ra'anana

*2020 - Present*

- Lead infrastructure team of 10 engineers supporting 100+ microservices
- Architected multi-cloud strategy reducing costs by \$2M annually while improving reliability
- Designed and deployed Kubernetes platform serving 500+ developers across 3 regions
- Established SRE practices including SLO frameworks, error budgets, and on-call rotation
- Led migration from legacy data center to AWS/GCP hybrid cloud over 18 months
- Implemented infrastructure automation reducing provisioning time from days to hours
- Drove adoption of GitOps and infrastructure-as-code across engineering organization
- Mentored senior and mid-level engineers, conducted technical interviews

### **Senior DevOps Engineer**

Company 395, Herzliya

2017 - 2020

- Led DevOps transformation initiatives for enterprise clients
- Built CI/CD pipelines and infrastructure automation for Fortune 500 companies
- Designed AWS and Azure architectures for high-availability applications
- Implemented monitoring and observability solutions

## DevOps Engineer

Company 237, Tel Aviv

2014 - 2017

- Built AWS infrastructure from scratch for early-stage startup
- Implemented CI/CD pipelines using Jenkins and Docker
- Managed production systems and on-call responsibilities

## EDUCATION

### M.Sc. in Computer Science

Tel Aviv University | 2012 - 2014

### B.Sc. in Computer Engineering

Technion | 2008 - 2012

## SKILLS

## CERTIFICATIONS

- Google Cloud Professional DevOps Engineer (2024)
- Certified Kubernetes Administrator (CKA) (2024)
- Microsoft Certified: DevOps Engineer Expert (2022)
